ROBERT NOCK,

Plaintiff,

## ORDER

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

Plaintiff's letter at Dkt. 177 concerning sealing of certain information does not indicate that the parties have followed the procedure set forth in the Appendix to my individual rules of practice. Accordingly, the letter motion to seal at Dkt. 177 is denied without prejudice to renewal after the parties meet and confer as required by that Appendix.

The Clerk of Court is directed to terminate the letter motion at Dkt. 177.

SO ORDERED.
